This form is required to be submitted for most work proposed within the Local Historic District. Please note that other applications may be required for your project in addition to this form. All major work projects require at least 10 sets of plans and applications for historic review. These sets may be reduced-size, as long as they are legible. The Historic Preservation Commission generally meets the 4th Thursday of each month; please refer to the schedule for any holiday changes. Submittals for the Historic Commission are required at least 3 weeks prior to any given meeting. Please note that most single family projects require review by Planning Staff first; non-residential projects require other technical staff review and possibly reviews by other boards. Please refer to the *Local Historic District Standards and Guidelines* and the Pinehurst Development Ordinance for requirements and standards.

**Application for
Local Historic District**

Description of Project:

We are building the first house in Lander Clos.
Our desire is to paint our house a very dark gray.
We have chosen "Rock Bottom" Sherwin Williams 7062.
As an alternative, we would like to use
Anchor Gray, Benjamin Moore 2126-30 which is
an approved trim color.

**HISTORIC PRESERVATION COMMISSION
AUGUST 24, 2017
ASSEMBLY HALL
395 MAGNOLIA ROAD
PINEHURST, NORTH CAROLINA
4:00 PM**

Commission Member in Attendance:

Jim Lewis, Chairman
Bob Farren, Vice-Chair
Christine Dandeneau, HPC Member
Judy Davis, HPC Member
Molly Gwinn, HPC Member
Jim McChesney, HPC Member
Tom Schroeder, HPC Member

Staff in Attendance:

Alex Cameron, Planner
Gwendy Hutchinson, Planning and Administrative Assistant

I. Call to Order

Chairman Jim Lewis introduced the Commission members and welcomed members of the audience. Chairman Lewis stated that the overview of our Commission is to approve Certificates of Appropriateness for new construction and Major Work, and to do so by conducting hearings and Findings of Fact where applications come before us. Our mission is to take no action except to preserve what is congruous with the special character of the Village of Pinehurst Historic District. This special character to be preserved and enhanced is that of a growing and vibrant Village.

II. Approval of Minutes

A. July 27, 2017

Tom Schroeder made a motion to approve the July 27, 2017 Minutes; Bob Farren seconded the motion, which was unanimously approved.

III. Review of Normal Maintenance and Minor Work items

A. Report for 7/21/17 - 8/18/17

There were no comments from the Commission

IV. Sworn In:

Alex Cameron, Planner; Will Huffstetler, Applicant and Property Owner; Ann Ehrhardt Dixon, Property Owner; and Alex Bowness, Contractor;

V. Public Hearing

A. COA 17-065

This is a request for an addition to the home located at 25 Medlin Rd., Pinehurst, NC. This property can be identified as Moore County LRK# 00030125. The applicant and the property owners are William and Nelda Huffstetler.

Alex Cameron, Planner read the staff report and confirmed that adjacent property owners were notified and that the property had been properly posted.

William Huffstetler, Applicant and Property Owner was present to answer any questions or address any concerns of the Commission.

Chairman Lewis stated that the proposed addition is taller than the existing home and that is a violation of our guidelines.

After discussion, Molly Gwinn made a motion to issue a Certificate of Appropriateness for an addition to the home at 25 Medlin Road with the condition that the garage is screened from the street; Judy Davis seconded the motion.

Christine Dandeneau made an amendment to the motion for an exception to the guidelines due to the low sloping roof renderings and to show a less obtrusive façade with screening and to adopt the Findings of Fact; Tom Schroeder seconded the motion, which was approved by a vote of 6-1.

B. COA 17-066

This is a request for the addition of a carport to the home located at 55 Fields Rd., Pinehurst, NC. This property can be identified as Moore County LRK# 00017843. The property owner is Ann Ehrhardt Dixon and the contractor is DH Whitesell.

Alex Cameron, Planner read the staff report and confirmed that adjacent property owners were notified and that the property had been properly posted.

Ann Ehrhardt Dixon, Property Owner was present to answer any questions or address any concerns of the Commission. Ms. Dixon explained to the Commission that her current garage was too small to park her vehicle.

After discussion, Jim McChesney made a motion to issue a Certificate of Appropriateness for a carport to the home at 55 Fields Road and to adopt the Findings of Fact; Bob Farren seconded the motion, which was unanimously approved.

C. COA 17-067

This is a request for the demolition of an accessory building, new accessory building and an addition to a garage located at 50 Village Green Rd. E., Pinehurst, NC. This property can be identified as Moore County LRK# 00020098. The applicant is Bowness Custom Homes and the owners are Alison and Stuart Paul.

Alex Cameron, Planner read the staff report and confirmed that adjacent property owners were notified and that the property had been properly posted.

Alex Bowness, Bowness Custom Homes was present to answer any questions or address any concerns of the Commission.

After discussion, Bob Farren made a motion to issue a Certificate of Appropriateness for the demolition of an accessory building, construction of new accessory building and an addition to a garage at 50 Village Green Road E. and to adopt the Findings of Fact; Jim McChesney seconded the motion, which was unanimously approved.

D. Continuation of COA 17-058

A request for construction of a new single family home at 105 Fields Rd., Pinehurst, NC. This property can be identified as Moore County LRK# 00028199. The applicant is Huntley Design Build, Inc. and the property owner is James Satterfield.

This project was withdrawn from this meeting.

VI. Motion to Adjourn

With no further discussion, Judy Davis made a motion to adjourn. Bob Farren seconded the motion, which was unanimously approved. The meeting was adjourned at 5:00 pm.

Application for
Local Historic District
(revised 3/14/17)

This form is required to be submitted for most work proposed within the Local Historic District. Please note that other applications may be required in addition to this form. All major work projects require at least 10 sets of plans and applications for review. Sets may be reduced-size, as long as they are legible. The Historic Preservation Commission generally meets the 4th Thursday of each month; please refer to the schedule for any holiday changes. Submittals for the HPC are required at least 3 weeks prior to any meeting. Single family projects require review by Planning Staff first; non-residential projects require other technical staff review and possibly reviews by other boards. Refer to the *Local Historic District Standards and Guidelines* and the Pinehurst Development Ordinance for requirements.

APPLICABLE SECTIONS OF STANDARDS AND GUIDELINES

A. SECTION 1.6.4.1 MAJOR WORK - *New construction or additions not considered to be minor;*

1. This request is considered to be major work because it involves new construction that **is/is not** considered minor work.

B. SECTION 3.2.2.1 NEW CONSTRUCTION STANDARDS - *New construction in the Village of Pinehurst Historic District provides opportunities for the continued evolution of excellent architecture adapted to new conditions. New construction should blend comfortably with the Local Historic District and any existing structures on site.*

1. The proposed new construction **will/will not** blend with the Local Historic District.

C. SECTION 3.2.2.2 NEW CONSTRUCTION STANDARDS - *Any new building constructed in the Local Historic District shall be compatible in terms of materials, scale, color, style and texture.*

1. The proposed new construction **will/will not** be of similar scale as existing structures in the neighborhood.
2. The proposed new construction **will/will not** be of similar style as other dwellings in the district.
3. The proposed new construction **will/will not** be of similar materials as other dwellings in the district.
4. The proposed new construction **will/will not** be of similar colors as other dwellings in the neighborhood and **are/are not** in the Village of Pinehurst Color Palette.
5. The proposed new construction **will/will not** be of similar texture as historic structures around the subject property.

D. SECTION 3.2.2.3 NEW CONSTRUCTION STANDARDS - *Consideration is often given to using or simplifying the details from neighboring buildings. This technique is used to "blend" the new structure with its neighbors. It is strongly recommended that detailing on new structures be consistent with its overall scheme and design.*

1. The proposed new construction **will/will not** blend with its neighboring buildings.

- E. **SECTION 3.2.3.1 PROJECT PLANNING AND SITE DESIGN** – *New infill housing is very appropriate and very desirable in the Village of Pinehurst area. The designs shall follow the basic Design Standards and shall also repeat the same relationships of house to street and house to lot as their historic neighbors. Table 3.2.3.1 is a table of Architectural Styles to be used as a reference for Architecture found in the Local Historic District and will be used by the Commission and staff to determine if a proposal is consistent with the neighborhood.*
1. The proposed new architecture **is/is not** consistent with historic neighbors in the neighborhood.
- F. **SECTION 2.9.2.1 PAINT AND COLOR STANDARDS** – *Paint colors shall be appropriate to the historic building and district and in the Village of Pinehurst Color Palette;*
1. The proposed colors for the new house **will/will not** be appropriate for the building and district and **are/are not** in the Village of Pinehurst Color Palette.
- G. **SECTION 2.8.2.4 ROOF STANDARDS** – *All metal roofs excluding copper must be earth tone in hue.*
1. The proposed metal accent roof **is/is not** copper.
- H. **SECTION 2.8.2.5 ROOF STANDARDS** – *Metal roofs are not appropriate on residential structures in the district unless material is copper or one of the following colors: weathered copper color, dark brown, dark bronze, or dark gray.*
1. The proposed metal accent roof **is/is not** copper color.

- Demolition of existing accessory building and new accessory building.

FACTS

APPLICABLE SECTIONS OF STANDARDS AND GUIDELINES

A. SECTION 1.6.4.2 & 10 MAJOR WORK -Demolition;

1. This request is considered to be major work because it involves a demolition that **is/is not** considered minor work.

DEMOLITION OF:

B. SECTION 2.16.1.6 Carriage Houses, Garages, and Outbuildings -Retain and preserve original carriage houses, garages and outbuildings when feasible.

1. Retaining or preserving the carriage house, garage or outbuilding **is/is not** feasible.

C. SECTION 3.5 DEMOLITION - Demolition of buildings in the Village of Pinehurst Historic District is discouraged except where necessary to secure the public safety. If a building or any part of the structure must be demolished, the Historic Preservation Commission may order the demolition delayed for up to 365 days. During this period, the Commission will decide if the building can be moved; if it contributes to the historic character of the Village of Pinehurst; if there are potential owners willing to restore the building; if the building can be adapted to serve its owner's needs; or if the building is structurally feasible for reuse.

2. The accessory building **does/does not** contribute to the historic character of the Village of Pinehurst.

NEW ACCESSORY BUILDING:

D. SECTION 2.16.1.9 CARRIAGE HOUSES, GARAGES, AND OUTBUILDINGS GUIDELINES - Locate new garages and outbuildings in rear yards and in traditional relationship to the main buildings.

1. The proposed new accessory building **will/will not** be located in the rear yard.

E. SECTION 2.16.2.2 CARRIAGE HOUSES, GARAGES, AND OUTBUILDINGS STANDARDS - *Keep the proportion of new garages and outbuildings compatible with the proportion of the main house. Typically these buildings were smaller in scale than the main house.*

1. The proposed new accessory building **will/will not** be compatible with the proportion of the main house and be smaller in scale.

F. SECTION 2.16.2.3 CARRIAGE HOUSES, GARAGES, AND OUTBUILDINGS STANDARDS - *New garages and outbuildings must use traditional roof forms, materials, and details compatible with the main building or historic outbuildings in the district.*

1. The proposed new accessory building **will/will not** use traditional roof forms, materials and details that are compatible with the home.

G. SECTION 3.2.2.1 NEW CONSTRUCTION STANDARDS FOR NEW RESIDENCES, ACCESSORY STRUCTURES AND BUILDINGS - *New construction in the Village of Pinehurst Historic District provides opportunities for the continued evolution of excellent architecture adapted to new conditions. New construction should blend comfortably with the Local Historic District and any existing structures on site.*

1. The proposed new accessory building **will/will not** blend with existing structures on site and with the Local Historic District.

H. SECTION 3.2.2.2 NEW CONSTRUCTION STANDARDS FOR NEW RESIDENCES, ACCESSORY STRUCTURES AND BUILDINGS - *Any new building constructed in the Local Historic District shall be compatible in terms of materials, scale, color, style, and texture.*

1. The proposed new accessory building **will/will not** be compatible in terms of materials, scale, color, style and texture.
