Describe the Pinehurst of the future using key words. Clarify what you want Pinehurst to be known for in 20 years.

Charming **walkable** classy place for all ages	Robust and safe bike/walking paths and golf paths to Village parks etc.
Charming	Public transportation (buses, trolley) to historic village
Outdoor living	Vital
Quaint	**Safe**
Collaboration with other municipalities for oversight and management of issues that impacts/overlaps	Blended community
Friendly **safe** and **quaint**	Leave it alone
Needs to evolve	Southern part of heaven
Safe, **charming**, characteristically styled living and boutique retail Village	Sidewalks
Save the trees	**Accessible** to other close by community via public transportation
Community	Summer camp for kids
Inclusive	No sidewalks
A small **quaint** Village in the middle of a forest	Embrace change, growth with **preservation** of original charm and hospitality
No more big roads	Back to the future, **historic**, **quaint**, unique
Still a **National Landmark**	**Preserve** woodlands and sense of a Village
Marketing that attracts young families to golf	Open at night
The infrastructure (particularly the roads) handles the traffic	Smart and limited development
Active and involved community	Quality of life conservation
Diverse	Pinehurst Village is **unique** as is, keep it that way
Welcoming	**Evolving**
Charming and **walkable**	A great place to retire and raise children
Always a **friendly** town	**Walkable** town and neighborhoods
Welcoming, **inclusive**, caring	A great place to live
Peaceful and **friendly**, best stargazing this die of the Alps. Love seeing more young families living well in the pines.	Sidewalks where needed, walking has to be safe
Keeping open space	Reasonable, controlled growth
Excellent healthcare available	Tolerant

August, 29, 2018

Describe the Pinehurst of the future using key words. Clarify what you want Pinehurst to be known for in 20 years.

Maintaining the **history** has been important	Family **friendly** resort town, not primarily retirement
Aesthetically **beautiful**, well organized, and a quaint **charming vibrant** Village	**Vibrant**
Quiet	**Welcoming**
Elderly care facility	Expanded tax base
Walkability	Shops with consistent hours (not closed in middle of the day), up to date clothing stores, organic food
A place for continuing growth mentally and physically	Keep **charm** and preserving the **history**
Nature	Pinchville
Heaven on earth	**Charming**, **safe**, **beautiful**, clean, nature, more than just golf, good medical
Dynamic	Limited growth
A **well planned** community	Quaintly sophisticated
Thriving	Make the Village my Happy Place- great restaurants, lots of varied entertainment, and unique shops
No solar farms	**Charm**
Change is good	**Walkable**
Quaint	Not any Town USA. Unique, historical, quiet, charming, active lifestyle with golf and tennis. Different, walkable, safe, everything golf cart or bike accessible.
Diverse	We need a Publix
Inclusive, **diverse**, **safe**, affordable	**Admired**
Green, **residential**, and **recreational**	**Safe**
Encourage businesses to stay in Village (rent reasonable)	Gentility
More dining options for families but not chains	We made a smart move not adding any more residential development
Neighborly	**Successful**
Charming
