General Information

Description of Changes to the Structure	The project consists of a new outdoor plaza for hotel guests located directly to the East of the main entry drive of the Carolina Hotel. The intent is to offer guests outdoor lounge opportunities to complement the existing indoor lounge/gathering spaces. An accessible path from the hotel porch to the plaza is incorporated as well as a continuation of the brick walk in front of the hotel to the plaza space. Low brick walls matching the color of the adjacent hotel buildings and capped with cast cast stone define the space. Adjacent to the plaza, the proposed stair improvements more clearly define the entry to the lower level office space, create code compliant handrails and improve lighting for the stair and entry.

Staff Present:

Alex Cameron, Lead Planner
Alexandria Rye, Senior Planner
Shannon Konstantinou, Clerk to the Board

Approximately 12 members of the public in attendance.

I. Call to Order

Mr. Von Salzen called the Regular Meeting to order at 04:03 PM and explained the purpose of this meeting for the Historic Preservation Commission.

II. Approval of Minutes

A. 06-17-2021 Special Meeting Minutes

Mr. Herring asked for clarification in the last paragraph of page 2. Mr. Cameron and Mr. Herring discussed amendments and what authorities the HPC has as it relates. Mr. Cameron agreed to amend minutes to read “may not have the authority” as opposed to “does not have the authority”.

Mr. Von Salzen asked for a motion on minutes as amended.

Mr. Taylor moved to approve the amended minutes of the June 17th, 2021 Special Meeting. Seconded by Mr. Schroeder. Approved by a vote of 6-0.

B. 06-24-2021 Regular Meeting Minutes

Mr. Schroeder moved to approve the minutes of the June 24th, 2021 Regular Meeting. Seconded by Mr. Lurtz. Approved by a vote of 6-0.

III. Public Hearing

Mr. Lurtz moved to recess the Regular Meeting and open the Public Hearing. Seconded by Mr. Schroeder. Approved by a vote of 6-0.

Mr. Taylor, Mr. Schroeder, and Mr. Von Salzen stated they had visited all sites with no ex parte communication.

Mr. Herring stated he had not visit any sites.

Mr. Lurtz stated he had visited all sites and did have ex parte communication with the owners of 35 Laurel Rd regarding the work that was proposed to be done on site.

Mr. Von Salzen entered into evidence the revision to the agenda moving 87 Short Rd item C to item H of the agenda.

A. COA 2021-000099 (170 McCaskill Rd W.)

Mr. James Dunagan was sworn into the public hearing.

Senior Planner Ms. Alexandria Rye was sworn into the public hearing.

The purpose of this public hearing is to consider a request for a Major Certificate of Appropriateness within the Pinehurst Historic District for exterior modifications to the home at 170 McCaskill Rd W. The exterior modifications include removing a small dormer to replace with a larger dormer for the addition of an elevator shaft. All exterior material required for elevator addition proposed to match existing. The property is identified by Moore County PID Number 00015303. The property owner is Madeline Klingenmeyer and the applicant is Dunagan Builders.

Ms. Rye corrected the record to reflect that the property owner is Mr. James Dunagan not Ms. Madeline Klingenmeyer as listed on the Moore County GIS. Ms. Rye discussed the proposed work and submitted into evidence the correction to the address listed on the Staff Report, the Staff Report, the Staff Presentation, Application, Applicant's Material, Photos / Site Plans, and Findings of Fact. Mr. Von Salzen accepted the material submitted by Ms. Rye into evidence.

Ms. Rye and the Commission discussed details of the information entered into evidence. Ms. Rye clarified for Mr. Herring why the work proposed is subject to the guidelines of an addition. Ms. Rye clarified property ownership and street direction for Mr. Schroeder.

The Commission asked Mr. Dunagan for clarification on the different types of doors submitted as part of Mr. Dunagan's application. Mr. Dunagan stated the door in question is the door leading to the basement and would be eliminated. Mr. Von Salzen asked if Staff was willing to proceed with the work as amended or if removal of the door would change Staff recommendation. Mr. Schroeder verified acceptance

would be amended to include the removal of the basement door and materials used in the place of the door would be in kind with what already exists on the property.

Mr. Von Salzen opened discussion to members of the audience. None requested to speak.

Mr. Herring moved that the Historic Preservation Commission find the proposed Major Work at **170 McCaskill Rd W congruous** with the Pinehurst Historic District and **consistent** with Historic District Guidelines, based on the testimony given, the material submitted and the findings of fact. Seconded by Mr. Taylor. Approved by a vote of 6-0.

Mr. Herring moved that the Historic Preservation Commission **approve** a Certificate of Appropriateness for the proposed Major Work at **170 McCaskill Rd W**. Seconded by Mr. Taylor. Approved by a vote of 6-0.

Mr. Lurtz questioned combining the two separate motions into one motion. Mr. Cameron discussed this simplification with the Commission and stated this is something the Staff would be willing to work on with the Commission.

Mr. Von Salzen accepted the material submitted by Ms. Rye into evidence.

Ms. Rye, Ms. Davis and the Commission discussed proposed fencing, which is a separate application and not part of the approval sought from the Commission as part of this case.

Ms. Davis stated the proposed work is an attempt to improve the look of the property, install siding properly and bring the property more into character with the surrounding properties. Ms. Davis and the Commission discussed replacing the existing vinyl siding with vinyl siding and modifying the size of shutters proposed to fit the window along with modifying the size of the existing shutters to fit the window.

Mr. Von Salzen opened discussion to members of the audience. None requested to speak.

Mr. Herring moved that the Historic Preservation Commission find the proposed Major Work at **85 McIntyre Rd** is **not consistent** with the Historic District Guidelines, nevertheless is deemed **congruous** with the Pinehurst Historic District, based on the testimony given, the material submitted and the findings of fact, for the following reasons given: *The proposal of the door relocation and installation of a new window appear to be compatible to the existing windows as well as compatible to others within the Historic District. The proposed use of vinyl siding as exterior material appears to be a synthetic material that is intended to look like painted wood. Many homes within the district consist of vinyl siding similar to that proposed. Given the details of what has been submitted for review, the proposal appears to be compatible with other buildings within the Historic District.* Seconded by Mr. Taylor. Approved by a vote of 6-0.

Mr. Herring moved that the Historic Preservation Commission **approve** a Certificate of Appropriateness for the proposed Major Work at **85 McIntyre Rd**. Seconded by Mr. Taylor. Approved by a vote of 6-0.

Mr. Taylor questioned Staff about unrelated work being done at 95 McIntyre Rd. Mr. Cameron verified 95 McIntyre Rd had come before the Commission in February and was given approval for work to proceed.

G. COA 2021-00116 (25 Laurel Rd)

Mr. Steve Duncan was sworn into the public hearing.

The purpose of this public hearing is to consider a request for a Major Certificate of Appropriateness within the Pinehurst Historic District for exterior modifications to the home at 25 Laurel Road. The exterior modifications include changing the roof color. The property is identified by Moore County PID Number 00024301. The property owner is Ernest Duncan Sr., Trustee and the applicant is Weatherguard Roofing.

Ms. Rye discussed the proposed work and entered into evidence the Staff Report, the Staff Presentation, Application, Applicant's Material, Photos / Site Plans, and Findings of Fact. Mr. Von Salzen accepted the material submitted by Ms. Rye into evidence.

Mr. Duncan stated the work being done is a result of the hail storm this area experienced in May. Mr. Duncan and the Commission discussed the work and material being used.

Mr. Taylor questioned Staff as to reason for "not consistent" recommendation. Mr. Cameron stated the reason for the "not consistent" recommendation was due to the color change.

Mr. Taylor moved that the Historic Preservation Commission find the proposed Major Work at **25 Laurel Rd** is **not consistent** with the Historic District Guidelines, nevertheless is deemed **congruous** with the Pinehurst Historic District, based on the testimony given, the material submitted and the findings of fact, for the following reasons given: *The proposed roof change is in color only. The proposed color is within the Village of Pinehurst Color Palette and is similar to and compatible to others within the Historic District.* Seconded by Mr. Herring. Approved by a vote of 6-0.

Mr. Taylor moves that the Historic Preservation Commission **approve** a Certificate of Appropriateness for the proposed Major Work at **25 Laurel Rd**. Seconded by Mr. Schroeder. Approved by a vote of 6-0.

H. COA 2021-00101 (87 Short Rd)

Ms. Judy Davis was sworn into the public hearing.

The purpose of this public hearing is to consider a request for a Major Certificate of Appropriateness within the Pinehurst Historic District for exterior modifications to the home at 87 Short Road. Ms. Rye, Ms. Davis and the Commission discussed the proposed work of securing the rear entry. Ms. Davis stated the photo shown was of an addition and would have the same siding as the existing.

Mr. Schroeder moved that the Historic Preservation Commission find the proposed Major Work at **87 Short Rd congruous** with the Pinehurst Historic District and **consistent** with Historic District Guidelines, based on the testimony given, the material submitted and the findings of fact. Seconded by Mr. Herring. Approved by a vote of 6-0.

Mr. Schroeder moved that the Historic Preservation Commission **approve** a Certificate of Appropriateness for the proposed Major Work at **87 Short Rd**. Seconded by Mr. Taylor. Approved by a vote of 6-0.

Mr. Taylor moved to close the Public Hearing. Seconded by Mr. Schroeder. Approved by a vote of 6-0.

Mr. Herring asked about the motion template. Mr. Schroeder asked if the motions could be combined into one and preferred the structure of the motion template used for this meeting. Mr. Cameron confirmed a combination of the motions would be done.

Mr. Lurtz asked about the demolition of 90 McCaskill not moving forward. Mr. Cameron stated the approval for demolition is good for 365 days and is eligible for an extension. Mr. Von Salzen stated a demolition permit does not have to be utilized. However, if work is being done to improve the current property then a new application would need to be submitted. Mr. Cameron clarified the approval that was given was for remodel / addition not a demolition.

Mr. Schroeder asked for additional elevations that might pose a question to be included in the Commission member packets. Mr. Cameron and Ms. Rye stated additional elevations can always be displayed during the meeting.

Mr. Herring asked for the Staff presentation to be condensed. Ms. Rye and Mr. Cameron stated Staff would be able to condense the Staff presentation.

Mr. Herring asked if the Staff would be able to focus on directions used on plans and correct directional errors on material submitted by the applicants. Mr. Cameron stated using front, rear, left and right is a more simple way to describe direction.

Staff Comments:

The applicant has submitted a complete application and provided additional documentation in an attempt to satisfy the burden of proof. The proposal of the window removal and garage entry changes appear to be compatible and of the same style and material of the structure. Given the details of what has been submitted for review, the proposal appears to be compatible with other buildings within the Historic District. If the Commission were to consider approval of this request, staff would recommend the 2nd motion:

That the applicant has satisfied the burden of persuasion and the project as proposed subject to any conditions imposed by the Commission is congruous with the special character of the Pinehurst Historic District and consistent with the Historic District Guidelines. A Certificate of Appropriateness is hereby granted.

Staff recommends the above motion because the proposed location, replacement, and material proposed for the renovations may not be consistent with the Historic Guidelines but appear to be congruous with the district.

Standards of Review

This request is considered to be Major Work due to the size in diameter of the trees and thus requiring review and consideration of a COA by the Historic Preservation Commission (HPC).

Applicable Guidelines:

The following guidelines are applicable and can be referenced in the Village of Pinehurst Historic District Guidelines under the appropriated sections listed below;

SECTION VII – SITE FEATURES

tree #1

Staff Comments:

The applicant has submitted a complete application and provided additional documentation in an attempt to satisfy the burden of proof. The proposed removal of two trees appear to be within the Historic District. Given the details of what has been submitted for review, the proposal appears to be compatible with other residential lots within the Historic District. If the Commission were to consider approval of this request, staff would recommend the 2nd motion:

That the applicant has satisfied the burden of persuasion and the project as proposed subject to any conditions imposed by the Commission is congruous with the special character of the Pinehurst Historic District and consistent with the Historic District Guidelines. A Certificate of Appropriateness is hereby granted.

Staff recommends the above motion because the proposed removal of trees due in part to the existing canopy and the removal of these trees will not negatively impact the canopy, thus may not be consistent with the Historic Guidelines but appear to be congruous with the district.

Staff Comments:

*The applicant has submitted a complete application with additional documentation in an attempt to satisfy the burden of proof. The proposed changes appear to be compatible to others within the Historic District. If the Commission were to consider approval of this request, staff would recommend the **1st motion**:*

That the applicant has satisfied the burden of persuasion and the project as proposed subject to any conditions imposed by the Commission is congruous with the special character of the Pinehurst Historic District and consistent with the Historic District Guidelines. A Certificate of Appropriateness is hereby granted.

Staff recommends the above motion because the proposed location, improvements, and material proposed for the renovations may not be consistent with all the Historic Guidelines but appear to be congruous with the existing structure and district. Even though the addition will be on a principal elevation near the entry, all the design elements include architectural details found on the existing structure including the windows, arches, columns and awning. The addition of the outdoor brick plaza will replace an existing lawn area but, as indicated on the submitted material, will be heavily landscaped and only accounts for an increase in approximately 3,000 square feet of coverage. Brick walls are listed as an appropriate fence/wall type in the guidelines.

Staff Comments:

*The applicant has submitted a complete application with additional documentation in an attempt to satisfy the burden of proof. The proposed changes appear to be compatible to others within the Historic District. If the Commission were to consider approval of this request, staff would recommend the **1st motion**:*

That the applicant has satisfied the burden of persuasion and the project as proposed subject to any conditions imposed by the Commission is congruous with the special character of the Pinehurst Historic District and consistent with the Historic District Guidelines. A Certificate of Appropriateness is hereby granted.

Staff recommends the above motion because the proposed location, improvements, and material proposed for the renovations may not be consistent with all the Historic Guidelines but appear to be congruous with the existing structure and district. Even though the addition will be on a principal elevation near the entry, all the design elements include architectural details found on the existing structure including the windows, arches, columns and awning. The addition of the outdoor brick plaza will replace an existing lawn area but, as indicated on the submitted material, will be heavily landscaped and only accounts for an increase in approximately 3,000 square feet of coverage. Brick walls are listed as an appropriate fence/wall type in the guidelines.
