Pinehurst Village Council

Re: Downtown Parking in the VOP & "Put the Customer First"

Madam Mayor & Pinehurst Village Council,

On December 17, the Village Center Enhancement Committee met with Chief Earl Phipps, Councilmen John Strickland and the members of the Pinehurst VCE committee. The purpose was to discuss parking and the actions suggested to correct a perceived parking problem, specifically creating Employee Restricted Parking and hiring a Downtown Parking Ambassador to enforce the regulations.

Our meeting went well and I believe good dialogue, facts and ideas were shared. For several reasons the committee is not 100% convinced that parking is a problem and furthermore, if it is a problem, that it cannot be handled less aggressively and more cost effectively.

Rather, we suggest moving forward with a more robust "Put the Customer First" campaign and trying to use a more customer/community friendly & less expensive way to get Village Center employees to park in the designated employee parking areas.

Thank you for your time and consideration of this important matter.

Sincerely,

R. Patrick Barry
