Application for Local Historic District

This form is required to be submitted for most work proposed within the Local Historic District. Please note that other applications may be required for your project in addition to this form. All major work projects require at least 10 sets of plans and applications for historic review. These sets may be reduced-size, as long as they are legible. The Historic Preservation Commission generally meets the 4th Thursday of each month; please refer to the schedule for any holiday changes. Submittals for the Historic Commission are required at least 3 weeks prior to any given meeting. Please note that most single family projects require review by Planning Staff first; non-residential projects require other technical staff review and possibly reviews by other boards. Please refer to the *Local Historic District Standards and Guidelines* and the Pinehurst Development Ordinance for requirements and standards.

FACTS

APPLICABLE SECTIONS OF STANDARDS AND GUIDELINES

A. SECTION 1.6.4.1 MAJOR WORK - *New construction or additions not considered to be minor;*

1. This request is considered to be major work because it involves new additions that **is/is not** considered minor work.

LEFT ELEVATION ADDITION:

B. SECTION 3.1.2.1 ADDITIONS STANDARDS - *Additions shall be located as inconspicuously as possible, preferably on rear elevations.*

1. The proposed addition **will/will not** be inconspicuous and **will/will not** be on the rear elevation.

C. SECTION 3.1.2.2 ADDITIONS STANDARDS - *Additions must be compatible with the original buildings in terms of size, scale, color, materials and character.*

1. The proposed addition **will/will not** be of similar scale and character as the existing building.
2. The proposed addition **will/will not** consist of compatible materials and colors to the existing building.

D. SECTION 3.1.2.3 ADDITIONS STANDARDS - *Roof forms are particularly important and shall blend with original buildings.*

1. The rooflines of the proposed addition **will/will not** blend with the original building.

E. SECTION 3.1.2.4 ADDITIONS STANDARDS - *Windows in additions shall be similar to those in the original buildings in their proportions, spacing, muntins, and materials.*

1. The windows in the proposed addition **will/will not** be similar to those in the original building.

F. **SECTION 3.1.2.5 ADDITIONS STANDARDS** – *Additions shall not be taller than the original buildings.*

1. The proposed addition **will/will not** be taller than the original building.

G. **SECTION 3.1.2.6 ADDITION STANDARDS** – *Foundations and eaves or major horizontal elements shall generally align on building and their additions.*

1. The proposed addition **will/will not** have foundations and eaves that generally align with the existing building.

FRONT PORCH ADDITION:

H. **SECTION 3.1.2.1 ADDITIONS STANDARDS** – *Additions shall be located as inconspicuously as possible, preferably on rear elevations;*

2. The proposed addition **will/will not** be inconspicuous and **will/will not** be on the rear elevation.

I. **SECTION 3.1.2.2 ADDITIONS STANDARDS** – *Additions must be compatible with the original buildings in terms of size, scale, color, materials and character;*

3. The proposed addition **will/will not** be of similar scale and character as the existing building.
4. The proposed addition **will/will not** consist of compatible materials and colors to the existing building.

J. **SECTION 3.1.2.3 ADDITIONS STANDARDS** – *Roof forms are particularly important and shall blend with original buildings;*

2. The rooflines of the proposed addition **will/will not** blend with the original building.

K. **SECTION 3.1.2.5 ADDITIONS STANDARDS** – *Additions shall not be taller than the original buildings;*

2. The proposed addition **will/will not** be taller than the original building.

L. **SECTION 3.1.2.6 ADDITION STANDARDS** – *Foundations and eaves or major horizontal elements shall generally align on building and their additions;*

2. The proposed addition **will/will not** have foundations and eaves that generally align with the existing building.

REAR PORCH ADDITION:

M. **SECTION 3.1.2.1 ADDITIONS STANDARDS** – *Additions shall be located as inconspicuously as possible, preferably on rear elevations;*

3. The proposed addition **will/will not** be inconspicuous and **will/will not** be on the rear elevation.

N. **SECTION 3.1.2.2 ADDITIONS STANDARDS** – *Additions must be compatible with the original buildings in terms of size, scale, color, materials and character;*

5. The proposed addition **will/will not** be of similar scale and character as the existing building.
6. The proposed addition **will/will not** consist of compatible materials and colors to the existing building.

O. **SECTION 3.1.2.3 ADDITIONS STANDARDS** – *Roof forms are particularly important and shall blend with original buildings;*

3. The rooflines of the proposed addition **will/will not** blend with the original building.

P. **SECTION 3.1.2.5 ADDITIONS STANDARDS** – *Additions shall not be taller than the original buildings;*

3. The proposed addition **will/will not** be taller than the original building.

- Q. SECTION 3.1.2.6 ADDITION STANDARDS** – *Foundations and eaves or major horizontal elements shall generally align on building and their additions;*
3. The proposed addition **will/will not** have foundations and eaves that generally align with the existing building.

DETACHED GARAGE:

- R. SECTION 2.16.1.9 CARRIAGE HOUSES, GARAGES, AND OUTBUILDINGS GUIDELINES** – *Locate New garages and outbuildings in rear yards and in traditional relationships to the main buildings;*
1. The proposed detached garage **will/will not** be located in the rear yard and in a traditional relationship to the main building.
- S. SECTION 2.16.2.2 CARRIAGE HOUSES, GARAGES, AND OUTBUILDINGS STANDARDS** – *Keep the proportion of new garages and outbuildings compatible with the proportion of the main house. Typically these buildings were smaller in scale than the main house;*
1. The proposed garage **will/will not** be smaller in scale than the main house.
- T. SECTION 2.16.2.3 CARRIAGE HOUSES, GARAGES, AND OUTBUILDINGS STANDARDS** – *New garages and outbuildings must use traditional roof forms, materials and details compatible with the main building or historic outbuildings in the district;*
1. The proposed garage **will/will not** have traditional roof forms, materials and details that are compatible with the main house.

Application for Local Historic District

This form is required to be submitted for most work proposed within the Local Historic District. Please note that other applications may be required for your project in addition to this form. All major work projects require at least 10 sets of plans and applications for historic review. These sets may be reduced-size, as long as they are legible. The Historic Preservation Commission generally meets the 4th Thursday of each month; please refer to the schedule for any holiday changes. Submittals for the Historic Commission are required at least 3 weeks prior to any given meeting. Please note that most single family projects require review by Planning Staff first; non-residential projects require other technical staff review and possibly reviews by other boards. - Addition of a pool and pergola
- New fencing
- New windows
- New roofing
- New second story rear porch roof
- New garage doors
- New steps and railings

FACTS

APPLICABLE SECTIONS OF STANDARDS AND GUIDELINES

A. **SECTION 1.6.4.1 & 7 MAJOR WORK** - *New construction or additions not considered to be minor & minor work items not approved by the Village Planner;*

1. This request is considered to be major work because it involves new additions that **are/are not** considered minor work and minor work items that **were/were not** approved by the Village Planner.

POOL:

B. **SECTION 2.16.1.9 CARRIAGE HOUSES, GARAGES AND OUTBUILDING GUIDELINES** - *Locate new garages and outbuildings in rear yards and in traditional relationship to the main buildings;*

1. The proposed new accessory structure (pool) **will/will not** be in the rear yard.

PERGOLA:

C. **SECTION 2.19.2.6 VEGETATION/ LANDSCAPING STANDARDS** - *Arbors, trellises, and pergolas should be constructed in a manner that is congruous with the architecture of the structure; if attached to the existing structure, it shall be done in a way which does not materially affect the façade if removed in the future.*

1. The proposed pergola **is/is not** congruous with the structure.

FENCING:

D. **SECTION 2.17.1.3 FENCE GUIDELINES** - *Brick walls may be permitted if compatible with the architecture of the home and neighborhood;*

1. The proposed brick walls **are/are not** compatible with the home and neighborhood.

- E. **SECTION 2.17.1.5 FENCE GUIDELINES** – *All fences and walls should be compatible with the architecture of the structure(s) on the property;*
1. The proposed fence **is/is not** compatible with the architecture of the structures on the property.
- F. **SECTION 2.17.1.6 FENCE GUIDELINES** – *Back and side yard fences shall not be taller than 6' in height and front yard fences shall not be taller than 3.5';*
1. The proposed back and side yard fence **is/is not** taller than 6'.
- G. **SECTION 2.17.1.7 FENCE GUIDELINES** – *Side yard fences greater than 3.5' in height should be at least 1 foot back from the front facade;*
1. The proposed side yard fencing **will/will not** set back 1 foot from the front facade.
- H. **SECTION 2.17.1.8 FENCE GUIDELINES** – *Fences over 3.5' in height shall be screened with native landscaping on sides visible from the street;*
1. The proposed fencing **will/will not** be screened with native landscaping on sides visible from the street.

DRIVEWAY, DECKING, PATIO, RETAINING WALL:

- I. **SECTION 2.19.2.5 VEGETATION/LANDSCAPING STANDARDS** – *Pre-cast landscape cement block of a commercial nature is disallowed in residential areas;*
1. The proposed pool decking, driveway and other flat surface work **are/are not** congruous with the architecture of the structure.

WINDOWS:

- J. **SECTION 2.4.2.2 WINDOWS AND DOORS STANDARDS** – *Windows and doors of existing buildings shall retain their original size and dimension.*
1. The proposed new windows on the rear elevation **will/will not** retain its original size and dimension.
- K. **SECTION 2.4.2.3 WINDOWS AND DOORS STANDARDS** – *The number and size of panes, mullion, and muntin, and all window and door hardware shall be the same or similar to those of the original windows and doors.*
1. The hardware of the proposed windows **will/will not** be the same or similar to the original.
- L. **SECTION 2.4.2.4 WINDOWS AND DOORS STANDARDS** – *Windows and door surrounds and trim shall match the original door or window surrounds and trim.*
1. The trim for the proposed windows **will/will not** match the original.

REAR ROOF:

- M. **SECTION 2.8.2.1 ROOF STANDARDS** – *Any changes to the configuration of any existing roof shall be consistent with the original house.*
1. The proposed new rear porch roof **will/will not** be consistent with the original house.

RAILINGS & STEPS:

- N. **SECTION 2.3.2.1 ARCHITECTURAL METALS STANDARDS** – *Retain and preserve architectural metal features that contribute to the overall historic character of a building and a site, including such functional and decorative elements as roofing, flashing, storefronts, cornices, railings, hardware, casement windows, and fences.*
1. The proposed new railings **will/will not** retain the architectural features of the building.

- O. **SECTION 2.6.2.2 PORCHES, ENTRANCES AND BALCONIES STANDARDS** – *Retain and preserve all architectural features that are character-defining elements of porches, entrances, and balconies, including piers, columns, pilasters, balustrades, rails, steps, brackets, soffits, and trim.*
1. The proposed new steps and railings **will/will not** retain original architectural characteristics.

- P. **SECTION 2.7.1.6 DECK GUIDELINES** – *Design deck railings to be compatible in scale and detail with the historic building.*
1. The proposed new railings **are/are not** compatible with the historic building.

**HISTORIC PRESERVATION COMMISSION
NOVEMBER 16, 2017
ASSEMBLYHALL
395 MAGNOLIA ROAD
PINEHURST, NORTH CAROLINA
4:00 PM**

MINUTES

Commission Members in Attendance:

Jim Lewis, Chair
Judy Davis, HPC Member
Christine Dandeneau, HPC Member
Bob Farren, HPC Member
Molly Gwinn, HPC Member
Tom Schroeder, HPC Member

Commission Member not in Attendance:

Jim McChesney, HPC Member

Staff in Attendance:

Alex Cameron, Planner
Gwendy Hutchinson, Planning and Administrative Assistant

I. Call to Order

Chairman Jim Lewis introduced the Commission members and welcomed members of the audience. Chairman Lewis stated that the overview of our Commission is to approve Certificates of Appropriateness for new construction and Major Work, and to do so by conducting hearings and Findings of Fact where applications come before us. Our mission is to take no action except to preserve what is congruous with the special character of the Village of Pinehurst Historic District. This special character to be preserved and enhanced is that of a growing and vibrant Village.

II. Approval of Minutes

Tom Schroeder made a motion to approve the September 28, 2017 minutes; Bob Farren seconded the motion, which was unanimously approved.

III. Sworn In:

The following were sworn in: Alex Cameron, Planner; DeAnna Burgess, Quality Built Advantage; Sean Butler, Butler Constructs Design & Builds, LLC; Dave Gendron, Resident; and Gregory Bryant, Applicant and Property Owner.

IV. Public Hearing

- A.** A request for new construction of a 1,858 square foot single-family residence at 105 Medlin Rd., Pinehurst, NC. This property can be identified as Moore County LRK# 00015753. The applicant and the property owner is DGH Management, LLC.

Alex Cameron, Planner read the staff report and confirmed that adjacent property owners were notified and that the property had been properly posted.

DeAnna Burgess, Quality Built Advantage was present to answer any questions or address any concerns of the Commission.

After discussion, Molly Gwinn made a motion to issue a Certificate of Appropriateness to construct a new single family residence at 105 Medlin Road and to adopt the Findings of Fact; Judy Davis seconded the motion, which was unanimously approved.

- B.** A request for a sunroom addition, new screened in porch and demolition of a storage building at 115 Short Rd., Pinehurst, NC. This property can be identified as Moore County LRK# 00016223. The applicant is Butler Constructs Design & Builds LLC and the property owner is Abidin Investments LLC.

Alex Cameron, Planner read the staff report and confirmed that adjacent property owners were notified and that the property had been properly posted.

Sean Butler, Butler Constructs Design & Build, LLC was present to answer any questions or address any concerns of the Commission.

Dave Gendron, Resident spoke against the additions to the home.

After discussion, Bob Farren made a motion to issue a Certificate of Appropriateness amending the request for the screen porch to be an addition and not a detached accessory building and to adopt the Findings of Fact; Molly Gwinn seconded the motion, which was unanimously approved.

Sean Butler agreed with amending the screen porch to be an addition and not a detached accessory building.

- C.** A request for the addition of dormers, remove entrance, new windows and paint the home at 85 Shaw Rd. SW, Pinehurst, NC. This property can be identified as Moore County LRK# 00014388. The applicant and the property owners are Gregory and Maria Bryant.

Alex Cameron, Planner read the staff report and confirmed that adjacent property owners were notified and that the property had been properly posted.

Gregory Bryant, Applicant and property owner was present to answer any questions or address any concerns of the Commission.

After discussion, Judy Davis made a motion to issue a Certificate of Appropriateness, removing the shutters from the request and to adopt the Findings of Fact; Molly Gwinn seconded the motion, which was unanimously approved.

Gregory Bryant agreed with removing the shutters from the application.

V. Review of Normal Maintenance and Minor Work Items

A. Report for 9/22/2017 – 11/9/2017

The Commission Members did not have any comments.

VI. Next Meeting Date:

A. December 21, 2017

VII. Item for Discussion

A. Small Cell Wireless

Chair Lewis informed the Commission that he is on the sub-committee for Small Cell Wireless, representing the Historic Commission. The sub-committee will determine what can or cannot be regulated and Chair Lewis will bring the recommendations before the Commission as new language will need to be added to the current Guidelines.

VIII. Motion to Adjourn

With no further discussion, Christine Dandeneau made a motion to adjourn. Tom Schroeder seconded the motion, which was unanimously approved. The meeting was adjourned at 5:45 p.m.

Vision: The Village of Pinehurst is a charming, vibrant community which reflects our rich history and traditions. Mission: Promote, enhance, and sustain the quality of life for residents, businesses, and visitors. Values: Service, Initiative, Teamwork, and Improvement.
